

**OUR STORY IS TOLD IN EVERY SLICE.**

Since we first opened our doors in 1979, Chicago's Pizza has been locally owned and operated. We started with a simple formula consisting of quality ingredients and a dedication to excellence. We continue to make our dough fresh every day and use only premium ingredients so that our pizza and fresh-baked breadsticks are always the very best.

Fresh veggies, toppings, and dressings make our salad bar a destination all its own. Attention to these important details has made us who we are today, and we are committed to continue creating the very best product and experience for each guest that comes through our doors.
