

# PIZZA VOUCHERS

14" One-Topping Pizzas

*Crispy-Thin or Traditional Hand-Tossed Crust*

## ***The fundraiser that fits in your pocket!***

No catalogues, no bulky deliveries, just a small stack of pizza vouchers. You'll be supporting a local business, selling a product people will like, and streamlining the fundraising process.

## ***How does it work?***

You sell vouchers that customers can redeem in our restaurant for a hot, fresh, made-to-order pizza.

## ***How much do you earn?***

You'll earn \$4 for every card you sell. The vouchers are sold for \$14, and we'll charge you \$10/each.

## ***What else do you need to know?***

- The pizza vouchers will have all necessary details printed on them.
  - We recommend collecting your money at the time of sale.
  - You can buy vouchers in advance or tally your sales and buy them later.
- Please note, the vouchers are not refundable.**
