

Our Story is Told in Every Slice

In 1979, Bob McDonald and Ron Epple founded Chicago’s Pizza with a simple goal of serving high-quality pizza in a family friendly environment. All these years later, our goal remains the same.

Our dough is made fresh in-house with our original recipe. The same goes for our pizza sauce. Our veggies are delivered daily and we use only premium meats and 100% real cheese.

Each Chicago’s is owned and operated by folks who live in the community and work in the restaurant each day. Just as it was when we started 40 years ago, we’re a family business in the truest sense.

So whether it’s your first ever visit to our restaurant or your second one this week, we trust you’ll find something delicious and enjoy your experience.
